

Acer's neue ultra-leichte, ultra-portable Netbooks wurden für Ihre ultimative mobile Freiheit entwickelt und kombinieren all die Einfachheit, Qualität und Leichtigkeit der Bedienung, die Sie von Acer erwarten, mit allem was Sie benötigen für die tägliche Arbeit, die Kommunikation, das Managen des Lebens unterwegs, diese Netbooks erfüllen alle Erwartungen an ein einfaches, unkompliziertes Reisen.

More than just a performance boost, Acer Empowering Technology dramatically increases the mobile potential by offering tools designed to maximise security, system management, performance and recovery, together with unrivalled power, connectivity and presentation potential.

#### Acer ePower Management

A straightforward interface that allows users to select from four pre-configured power usage profiles, or to create their own customized profiles. It contains easy controls for enabling and disabling system features and other useful settings.
