New Requirements for EE Warranty Upgrades Registration

As was announced in the August 6 Channel Alert, all paper service upgrades have been eliminated and electronic (EE) upgrades only are available.

The requirements f Acer is not responsible for any modifications or changes to this price book

The seller must provide the following information in order for Acer to activate electronic (EE) upgrades:

1. Serial numbers of products covered by the upgrades.
2. Name and physical address of purchasing end-user organization.
3. Contact name at that organization with email address and phone number.
4. Date the end-user organization purchased the products.
5. Education accounts only: deployment date of the products. For example, if a school purchased in June but did not deploy until September, Acer will advance the start date of the upgrad
